

Overview of Migrant Education Program Improvements

Shelly Babler, Co-MEP Director

Susan Piazza, Co-MEP Director

Paula Errigo, Consultant

Background

Finding from the USDE Office of Migrant Education

Background

Corrective Action for the Finding

- By September 30, 2017, the state must create a service delivery plan with measurable program objectives that will measure the effectiveness of the MEP services the state provides.

Work to Address the Finding

Data Systems Review

- WISEdata and NGS
- Looked for ways to reduce redundancy of data collection from LEAs

Work to Address the Finding

Hired external consultants to assist:

- Paula Errigo
- Merced Flores
- David Gutierrez

Work to Address the Finding

Comprehensive Needs Assessment

- Gathered data (including a survey of local project directors and community partners)

Work to Address the Finding

Service Delivery Plan

- To address the needs of the migrant students in Wisconsin

Evaluation plan

- To measure the efficacy of the service delivery plan
